Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Continuation of 3: Applicant has significantly amended the claims to define the arrangements of the syringes, nozzles, and connecting portions and such amendments would require further search and consideration.

Continuation of 7 and 11: Applicant's comments are directed to the amended claim language and thus are not commensurate in scope with the pending claims.
